Department of Plant Industry
Clemson University
Pendleton, South Carolina 29670
Nursery Certificate Tag Form 22N
Expires December 31, 2025

This is to certify that the nursery stock in the nursery of

404971
Honeyhill Nursery
382 Daniel Way
Hardeeville, SC 29927

has been inspected by an inspector of the Department of Plant Industry in accordance with the Crop Pest Act of 1912 and the rules and regulations made pursuant thereto and is apparently free from all major plant pests. This certificate covers only stock that was actually growing in said nurseries at time of official inspection and provided that said stock has not been exposed to infection since date of inspection.

Meets Federal Imported Fire Ant Quarantine 81.
